as well as stomach disorders and congestion of any nature.

This is why. Each of these diseases called by its proper name is catarrh, or inflammation of the organ affected - and Perusna is a remedy for catarrh in any part of the

body. That's all. It is very simple when you think of the delicate membrane which lines the entire body and how easy it is for this membrane to be come inflamed, weakened and sore, and how easy it is for Pe-ru-na to reach and cure it. It has been used successfully for 40

years, and it is the one true cure for all such troubles. If you keep Pe-ru-na on hand this winter, you will not need the doctor.

"Lectures on Chronic Catarrh," is a complete treatise on catarrhal diseases. It treats of every phase and variety of summer catarrh, winter catarrh, and the catarrhal affections peculiar to women. This book contains ninety-five pages, is instructively illustrated, and will be found very useful in the fam-Ily. Sent free to any address by The Peruna Medicine Co., Columbus, Ohio,
